PRINTING ITEMS FOR SME REVIEW IN CATS

Members receive packets of multiple choice test items electronically after submitting a CATS Request Form. Many have expressed a need for hard copy of the packets so that their SMEs can review the items easier. In response to this need we have added a new Tutorial under Resources/CATS Tutorial called *Printing Instructions for CATS SME Review*. It is a short tutorial with screen shots of every step. Basically the tutorial shows you how to copy and paste items from CATS to Word for review purposes.

Remember SMEs **MUST** complete a Subject Matter Expert Security Agreement found under Resources/HR Guides. Test materials should be locked up at all times. Also, SMEs should review materials under HR supervision.

CSPCA STATE CONFERENCE

The California Personnel Commissioners Annual Conference will be held February 9 - 12 at the Holiday Inn - Capitol Plaza Sacramento. The focus of the conference is to strengthen the participants' knowledge of the Merit System and to focus on some basic foundations. The theme is Merit System Boot Camp.

Register by February 1, 2006. Forms and more conference information are available at www.meritsystem.org.
